Buy · Long HG

published as a price, not a book · nothing to size here

HG-USD is published as a price, not a book. One source quotes it, so there is nothing for the engine to cross-check and nothing to lend against. Read it here; the books you can trade have two sources or more.

PORTFOLIO MARGIN

\$505

less margin than isolated (12% cheaper) from hedged crypto exposure

required offset credit

Isolated margin \$4,158
